The Film House can accommodate 199 people. A full cinematic experience, with surround sound in a licensed venue! Over 500 screenings per year; including new feature films, classic cinema, documentaries, family favourites and cult classics. FirstOntario PAC has a team of entertainment professionals with a combined skill set to accommodate all your needs during your stay and performance.

The FirstOntario Performing Arts Centre is a 95,000 square foot cultural complex comprised of four state-of-the-art performance venues that host a signature presentation of international and local performing artists. One of Canada's most unique Performing Arts Centre plays a vital role in the renaissance of downtown St. Catharines, serving as the catalyst in modernizing the area and reinforcing the brilliance of Niagara region's diverse arts and culture cluster.
